Rhodan

Welcome to The Rhodan Show!

Narrator

Actually, it's Level One Human, Rhodan.

Rhodan

But Narrator, I think that I should get an episode, not just a
teaser at the end of the other episodes.

Narrator

Well then, if you insist...

Rhodan

Wait, really?

Narrator

Previously, on "Level One Human," a young citizen asked the party for help: "There are demons attacking people in the streets!" So they, if somewhat reluctantly, decided to save Anvilfel from their demon problem: "Hey you!" "Huh?" "It's too late. You've lost! Surrender now and I might just let you live!" "Pffft." Found and fought the leader of the demons: "It's very rude not to knock." "Whoa, that demon is much bigger than the other ones." And discovered that they had just missed Rhodan again: "Well, maybe not; there's plenty of rogue high elves with scars on their faces, right?" "The scars - were they on his chin and right cheek?" "Yes." "Ah." And now, in our story, let's back up a bit. Back to the beginning, if you will. And let's see what has happened from ... the perspective of another. On "Level One Human", Episode five, "Meanwhile".

(running on gravel, sounds of combat) (REPEATED FROM EP 1)

Lars

Surround it! If we attack from all directions, we can corner it!

Rhodan

I need to get closer!

Zinnia

Why the heck would you want to do that?!

Rhodan

I have a plan; distract it!

Moxie

Hey, you big ugly lizard! Look at me! I'm a tasty snack!

(Sound: dragon roar)

Zinnia

Rhodan, if you're going to do something - do it now!

(Sound: Rhodan running up to the dragon, dragon roaring)

Lars

What the- Why is it glowing?!

Zinnia

GET DOWN!

(Sound: a large pulse of magic energy and a loud roar that turns into a human voice erupts, combined with a shout from Rhodan. Then--silence.)

(Sound: Uncomfortably long "silence" of cave noises. (5 seconds?))

Rhodan

(Groaning as if waking up) Guys? Hello? Anyone?..

(Pause, no reply)

Whatever happened, I was thrown down this crevasse. I wonder how long I was unconscious. Drat, my back hurts... Okay, this is fine... Oh, what's this? A necklace?

(Sound: chain, necklace being picked up)

I wonder how much I can get for this. Weird markings, though.

(Sound: of walking in the wet of the cave.)

Hello! Anyone around?! Moxie!? (beat) Zinny!? Lars!? Guys, this is not the time to be shy! I think the dragon is gone; I don't hear it anymore...

(Sound: pause, no reply)

Amulet

(Beat) **That necklace you found is pretty. You should put it on.**

Rhodan

Yeah, easier to carry that way. Did I hit my head? Whoa, I'm woozy...
Who am I talking to, anyway?

Amulet

You're all alone. They've forgotten you.

Rhodan

They wouldn't. Well, Moxie wouldn't.

Amulet

Well, she did.

Rhodan

Listen, *me*, I'm not talking to you. You're those intrusive thoughts that keep me from sleeping. The "why didn't I say that" or the "why did I do that?" garbage that keeps me from having a chance to even have a decent night's rest or the slightest sliver of happiness.

Amulet and Moxie's Voice

You know, you thought that I liked you, but I was just using you. You got me out of my hometown, and I ditched you. You're the ugliest elf around.

Rhodan

I know I am.

Amulet and Moxie's Voice

We found our artifact and high-tailed it out of here. You should just forget us.

Rhodan

No. We're supposed to meet up at the nearest tavern if that happens.

Amulet

Sure, go to a tavern. It won't matter. They're gone.

Rhodan

I'm ignoring you. I'm going to the closest town.

Amulet

If you can find one. You're lost and alone. At least you have that cool necklace. Don't let anyone tell you to take it off, either.

Rhodan

No one understands my fashion sense, anyway.

Amulet

Idiots.

Rhodan
(Muttering to self) Now how do I get out of here?

Amulet
Just follow the light.

Rhodan
Oh my god, am I dying?

Amulet
What-? No. (Muttering to self) Oh great, this one is a moron. (As if talking to a child) The exit is down that passage there. The rocky one. No no, the other rocky one. Yes. The cave's exit is where all the light is coming from. It's called "the SUN."

Rhodan
Okay, geez, no need to be so rude.

(Transition - creepy forest sounds and walking)

Rhodan
What is this place? Is this Nevermirth? Wish I had a map. I know there's a rest stop around here somewhere.

Amulet
(like a GPS) **Now entering the Nevermirth Forest. Turn left in 50 feet.**

Rhodan
Oh? Why should I? You're being helpful now?.. Wait. Didn't I just pass by here?

Amulet
It's been said that the forest changes the roads to confuse especially brainless travelers.

Rhodan
Hey!

Amulet
The pixies are supposed to guide us through. Useless little things.

Rhodan

Well, not *completely* useless. The others don't know this but - Zinnia has some pixie blood, and she says it makes her more powerful.

Amulet

Hm. But not as powerful as us, obviously.

Rhodan

What-?

Amulet

Pixies are tiny and yet almost completely composed of magic. This makes them super powerful, but their physical form is as fragile as a butterfly.

Rhodan

They're vicious, though. I've seen a swarm of pixies skeletonize a wolf in like, 5 rounds- I mean, 30 seconds.

Amulet

Precisely. They're dangerous and must be ... exterminated. This is the realm of the Pixie Queen. Even though you're a complete dolt, you're soooo much better than her.

Rhodan

A pixie queen? Bah!

Amulet

Exactly. A pixie is already bad, but a pixie noble? Ugh. All nobles are the same. Worthless.

Rhodan

Hey, I knew- I mean *know* a noble.

Amulet

And where is she now, eh? Not so "noble" when it comes right down to it, hm?

Rhodan

I saved her from a bad situation, and she has saved my life countless times since. Moxie is one of the best people I've ever known- so shut it.

Amulet

Hm, seems like she didn't save you this time, though.

(Sound - echoey mystical and forest sounds)

Rhodan

(normal voice) Look at all these trees, some of them are green or blue or purple. The way the light hits them is really quite magical. And the wind, whispering through the trees... It's so peaceful here... (evil voice) **I hate it!** Whoa, what's happening to me??

(Sound: pixies giggling)

Rhodan

Get out of here, you little pests!

Pixie 4 (Buttercup)

Or what? It's not like you'll do anything - you're losing your mind!
(Laughing)

Rhodan

Go away or **I'll eat you!**

Pixie 2 (Snazzberry)

I'd like to see you try! Aww, poor ugly little elf is going crazy!

Amulet

We can take them; it'll be easy.

Rhodan

(Sigh, deep breath) We're trying to find our way through the forest—

Pixie 3 (Brad)

We?

Rhodan

—and I was told you are supposed to help with that?

Pixie 1 (Blossom)

What'll you give us for showing you the way out?

Amulet

That's ridiculous. It's a written agreement that the pixies guide people through, and the royals won't tear down the forest. We should just kill them.

Rhodan

That's extortion! You can't do that!

Pixie 4 (Buttercup)

Oh what, you gonna report me? (Acting bored) Maybe we'll just leave and let you wander for all eternity.

Rhodan

You- ugh! Fine. What do you want? Gold?

Pixie 4 (Buttercup)

Nah, something important to you - that's where the magic is. What's that dagger you got there?

Rhodan

My father's knife? He gave this to me on his deathbed. Pick something else.

Pixie 5 (Petal)

What about that pretty necklace?

Amulet

No! Don't take it off! Just- kill them already!

Rhodan

Right, we're done here!

(Sound: shoots arrow)

Pixie 4 (Buttercup)

(Cries out in pain, dies)

Pixie 1 (Blossom)

Hey! You killed Buttercup!

Pixie 2 (Snazzberry)

Buttercup was my friend!

Pixie 5 (Petal)
Mine too!

Pixie 3 (Brad)
I never liked her.

Pixie 2
No one asked you, Brad!

Pixie 3 Brad
(Gasp) I'm telling the *Queen*!

Pixie 1 (Blossom)
Ugh, he's going to go get Queen Flutterberry.

Amulet
Oh, this'll be good.

Rhodan
Oh perfect, I'll tell her you tried to extort me.

Pixie 2
You think she won't be more concerned that you murdered her
secretary?!

Rhodan
Ah. Well, no one liked Buttercup anyway.

Pixie 2 (Snazzberry)
I did! And I bet the Queen did too!

Rhodan
Drat.

Amulet with Zinnia's Voice
**Rhodan, I've always hated my pixie blood. Please, kill the Pixie Queen
for me.**

Rhodan
What? I mean, Pixies are stupid and all-

Pixies

HEY!

Rhodan

-but I don't think that's a good id-

Amulet with Zinnia's Voice

You must kill Queen Flutterberry.

Rhodan

I. Must. Kill. Queen. Flutterberry.

Queen Flutterberry

All right, everyone, what's going on? I've been told Buttercup is dead? We've talked about this-

Rhodan

There she is! Hyah! (Sound: sword slashing)

Queen Flutterberry

Agh! Who are you?! Pixies! Attack!

Pixie 5 (Petal)

(Echoing voice) Stinging Spray! (Magic sounds)

Rhodan

Ow, it's in my eyes!

Pixie 3 (Brad)

Let's get 'im! While he's vulnerable!

Rhodan

Ow! Ow! Stop biting me!

Amulet

Quickly, grab your dagger! Don't worry about aiming; I'll take care of that!

Rhodan

Whoa, how are you moving my body?!

Pixie 2 (Snazzberry)

What's wrong with this dude??

Amulet

There! Throw! Now!

Queen Flutterberry

(Sound: whoosh and sound of dagger impact) AAAUGH!

Pixie 1 (Blossom)

Nooo! He killed the Queen! Retreat!

(Sound: Distressed pixie noises fade into the distance)

Rhodan

Wow, that was amazing! I've never felt so powerful before!

Amulet

Yesss, succumb to the power, feel it coursing through your veins! We will become an unstoppable force of destruction!

Rhodan

...destruction... un-stop-able...

Amulet

Yes. First... uhm, Buttercup. And now this, a queen! A noble! It is... blissful! Soon, you will be reborn!

Rhodan

uh...What?

Amulet

Uh, I mean, we make a good team!

Rhodan

Yeah! What else can you do? That was so cool! (Fading into distance, walking sounds)

Pixie 1 (Blossom)

Listen, no one else is allowed to enter the forest until we figure this out. Our reigning monarch has just been assassinated.

Pixie 5 (Petal)

Oh gods, she didn't have an heir! Our government is going to collapse!

Pixie 2 (Snazzberry)
Should we follow him?

Pixie 1 (Blossom)
No way, that guy was surrounded by dark chaos magic! He'll kill us in an instant!.. Brad can try if he wants to, though.

Pixie 3 (Brad)
Hey! I'm telling the qu-!.. Ah, right.

(Transition - walking)

Rhodan
It's been hours; it's getting dark. Why are we still walking? The forest isn't that big!

Amulet
I told you, the forest changes the roads.

Rhodan
Just to mess with people? Why does it do that?

Amulet
Yep. Magic is tricky. Also, you just killed the queen of most of its inhabitants, so it's bound to be a little peeved.

Rhodan
(Yelling into forest) Hey forest! I'm going to sleep, and in the morning, there'd better be a road out of here!

(Sound: quiet magic forest sounds)

Rhodan
Just letting you know: I have the tools to make fire!

(Sound: quiet magic forest sounds)

Amulet
Well you sure told it.

(Transition to morning)

Rhodan

Oh look, there's the way out. (Yelling to forest) Thank you! (To amulet) That's a city up ahead. Do you know what this one is, too?

Amulet

Yes, that's Anvilfel. You still want to go to that tavern, don't you? I'm telling you, your friends won't be there.

Rhodan

They will; just you watch!

City Guard

(Bored, like he has done this a million times) Hello, and welcome to the beautiful city of Anvilfel. Home of blacksmiths and tinkerers alike. Thank you for your visit. State your name and business.

Rhodan

Rhodan Shadowhart. I'm-

City Guard

That was "Shallow-wart"?

Rhodan

What? No-

Amulet

Oh my god, this guy is an dumba-

Rhodan

Shadow-hart. I'm-

City Guard

Oh good, Shallow-wart is a very common last name.

Rhodan

(Distracted) Wait, really? (Remembers) No, listen, I'm here to meet up with some friends I was separated from. Could you point me towards the nearest tavern?

City Guard

Sure, The Cuddly Grub is right over that way. I wouldn't eat anything, though.

Amulet

They won't be there. They abandoned you.

Rhodan

(Quietly) Shut up!

City Guard

Excuse me?

Rhodan

Uh, not you; sorry.

City Guard

..right, anyway, it's down that street on the left. Big sign with a grub. Can't miss it.

(Sound: Walking, door opening, tavern sounds)

Rhodan

Excuse me, I'm looking for some friends of mine. A Rattus, an elf, and a celestial.

Barkeep

Sounds like quite the crew! Sorry, haven't seen 'em.

Amulet

See? Not here.

Rhodan

Well maybe they'll come back. I can wait. Barkeep, whatcha got for grub?

Barkeep

Grubs.

Rhodan

I'll take a dozen!

Barkeep

Okay, you want 'em fried, poached, steamed, flambé—

Rhodan
Surprise me.

Amulet
(Whiny) Can we leave? Or at least set something on fire? Your stupid friends aren't here.

Rhodan
They will be, I'm sure of it.

Marzia
Hello there. I can't help but notice you muttering to yourself. My name is Marzia. Are you all right?

Rhodan
Uh, yes, yes I'm fine—

Marzia
And you have a lovely necklace. I'm looking for something similar, actually. Where did you find it?

Rhodan
At the bottom of a cave. Very exclusive. (laughs awkwardly)

Marzia
Does it have any magical qualities?

Rhodan
(Very nervously) No! Why would you think that?!

Amulet
She's asking too many questions.

Rhodan
You're asking too many questions.

Marzia
Oh! Well, I'm sorry; I didn't mean to be rude. But—

Barkeep

Order up!

Rhodan
Can I have those to go?

Marzia
A-ah I-

Rhodan
(Grabbing a paper bag) I'll be leaving now.

Amulet
Byyyyy.

(Sound: door opening as Rhodan leaves)

Rhodan
Why was that lady asking so many questions? She had the same badge as Lars. What was that--The Order of Order? Yeah, that's right.

Amulet
Bunch of party-poopers if you ask me.

Rhodan
Well they can't be too bad if Lars is a member.

(Transition - Sound: walking, crickets)

Amulet
It's been hours. Your so-called friends weren't at the tavern, and we've been all over the city. Do you believe me now?

Rhodan
(burps) But.. Moxie promised. She said we'd stick together.

Amulet
Well, we both know how slippery she can be. You shouldn't be surprised.

Rhodan
Well, now what? I don't have anywhere else to go. I guess I could make some new friends.

Amulet

You don't need any other friends than me. Look, let's go into that museum; I can sense some interesting things in there. An adventure will cheer you up.

Rhodan

(Sound: tries to open door) It's locked.

Amulet

Well, break in.

Rhodan

Should we really be going in here? It's locked for a reason.

Amulet

Don't be a wimp. Just pull; I'll help.

Rhodan

(Dubious) Okay.

Begin scene here??

(Sound: Rhodan pulls the doors off its hinges)

Rhodan

Well, I guess that works. (Sound: Echoey footsteps) This place is creepy. Why are we in here, again?

Amulet

I can sense a trace of something magical. Here, through this door.

Fredsel, Museum Curator

Excuse me! Excuse me! You aren't supposed to be in here!

Rhodan

(evilly) **This looks interesting. Get out of my way.**

Fredsel, Museum Curator

Please don't-- sir, you don't understand; that is a very delicate relic!

Rhodan

(normally) Please, I don't mean to do this! (struggles) (evilly) **I can do whatever I want.** (Sound: of smashing relic) **And I want chaos.**

(Sound: of portal bursting open, demons pouring through)

Fredsel, Museum Curator

(Screams, runs away)

Amulet

Ooh, it's a portal to a demon realm; how exciting!

Demon Boss

Oh, we're finally through! Thank you for opening the door; that was very helpful.

Rhodan

Get back! Uhn! (Sound: Slashing with sword)

Amulet

What are you doing!? These are allies!

Rhodan

No! I don't want this! (Sound: Shoots arrow)

Demon Boss

I know what's happening here. If you don't regain control over your vessel, I will be forced to dispatch it.

Amulet

Right, we're leaving. (Sound: starts walking out)

Rhodan

No! I need to help these people!

(Sound: citizens yelling and commotion, demons destroying stuff)

Amulet

Come on; we've done enough here.

Rhodan

Stop moving me! Ugh (sound: regains control)

Amulet

Listen! Your friends left you! There's no home to go back to! What's the problem with getting into a little trouble? Don't you remember how amazing it felt to open that portal?

Rhodan

I don't-! Well.. it did make me feel powerful.. I guess there isn't anything stopping me.

Amulet

Aren't you tired of being nice? Don't you just want to go apesh-

Rhodan

No! I don't!

Amulet

You do want all of my power, right?

Rhodan

What? Aren't you me?

Amulet

Uh... Yes. I am you. And if you can create just a little more chaos, I will give you the greatest gift.

Rhodan

Gift?

Amulet

Yes. You will forget your troubles, and you will be more powerful than you ever imagined.

Rhodan

(beat) I can imagine a lot.

Amulet

It shall be yours. No one to answer to, no one to be accountable to. You will embrace your true self, and in that you will find your greatest power.

Rhodan

(beat) But, my friends? Moxie?

Amulet

They've already forgotten you. They need not concern you any longer.

Rhodan

They've- forgotten me. (beat) Even Moxie?

Amulet

Especially Moxie. You don't need any of them. You just need yourself.
You will amass wealth and power. You will be unstoppable.

Rhodan

...unstoppable?

Amulet

Absolutely unstoppable. In fact, you'll forget all about them.

Rhodan

I will?

Amulet

Yes. And you will be truly happy.

Rhodan

Who are you?

Amulet

I am you. You are me. We are one. Or nearly so.

Rhodan

(beat) Well. (Beat) I guess that's okay. I guess.

Amulet

Atta boy. Now, let's go. More power awaits.

Rhodan

Go where?

Amulet

Well the Ruins of Fennickwicky aren't too far from here. It's been.. a
while since I've been there.

Rhodan
I'm sure we'll be able to stir up some trouble.

End scene here?

(Transition - walking through forest)

Rhodan
Where are we? I've never been this far East.

Amulet
It's the Mondew Forest. But it should be called the "Extremely Boring Forest."

Rhodan
At least there's no pixies.

Amulet
What's that?

Rhodan
I said, at least there's-

Amulet
No, I heard something, over there.

(Sound: Quiet whistling in distance)

Rhodan
How did you hear something when I didn't?

Amulet
Don't overthink this.

Rhodan
It sounds like whistling.

(Sound: Rustling through brush)

Palanus

(Whistling) Oh-oh! Hello? Please don't be another goblin, ah, I've already had a rather unfortunate encounter.

Rhodan

I'm not a goblin. You're not being very stealthy though - That whistling of yours is giving you away.

Palanus

Ah, it's a silly habit, hah. My name is Palanus; it's nice to meet you!

Rhodan

I'm Rhodan. Where are you headed? There's not much around here.

Palanus

Oh, I'm just a traveling bard, no destination in mind. The last place I was-- Well. They didn't like me much.

Rhodan

Hm. Here, I'll walk with you in case we run into any more goblins. I have to say I haven't seen any so far, though.

Palanus

Yes, it's strange; they've all run away. Something about a bigger threat that has entered the forest.

Amulet

(clears throat)

Rhodan

..I'll keep an eye out.

Palanus

Ah, oh, I know where they'll like me; I'll go to Fennickwicky! Yes, I heard they're rebuilding! Oh, there I'll be the toast of the town!

Rhodan

Fennickwicky? I'm going there too- mind if I join you?

Palanus

O-of course not! The more the merrier, hm?

Rhodan

Wonderful. (Pause) Why did you stop whistling?

Palanus

Ah, well, now that I'm no longer compelled to constantly whistle, I'm afraid I'll just be sticking to instrumentals for a while. (Starts playing kazoo)

Rhodan

(as kazoo continues) Eugh. (Evilly) ***I think I'd rather you go back to being cursed - how about we fix that, hm?***

Palanus

Oh dear.

(Transition - to the party, walking)

Zinnia

The Ruins should be just up ahead. I lost Rhodan's tracks, but this seems like the most logical place he'd be. There's nothing else around here.

Egan

This place feels weirdly familiar.

Lars

It may be reminding you of your town, Kottletop, that was destroyed. It's said that the same dragon destroyed this city over a hundred years ago. It's sad: so many people gone in one terrible day.

Moxie

Well, what do we do now? There are no taverns to wait at.

Lars

It does seem to be deserted. Maybe-

Town Crier

(In distance, getting closer)

Hear ye, hear ye! The traitor and his band of fools have arrived!

Lars

Traitor?

Moxie
Fools? Watch it, bub!

Egan
Isn't that the town crier?

Zinnia
He's been in every town we've gone through! He must've been following us. How did I not notice?

Moxie
Hey you! What do you want?!

Town Crier
I wanted you to. do. your. job!

Lars
Wait, Tally? Is that you?

Town Crier/Talleol Busin
Oh, finally he recognizes me. I was beginning to feel slighted.

Moxie
Lars, you know him? Who is this?

Town Crier/Talleol Busin
Talleol Busin, a member of the council of the Order of Order, at your service.

Lars
Tally, what are you doing here? You've been following us?

Town Crier/Talleol Busin
Well, after your screw-up at the Order, I was assigned to watch from a distance and make sure you got the artifact. But then you disobeyed orders, again. What a surprise.

Zinnia
Wait, Lars, you said your orders were to kill the dragon. That's why we teamed up: You'd get the dragon, and I'd get the artifact.

Lars

...Well technically, I would need to kill the dragon to get the artifact. So-

Moxie

Lars. You lied? You?

Lars

I-. I'm sorry, my orders were to collect the artifact.

Zinnia

So what, you were going to fight me for it? Steal it?

Town Crier/Talleol Busin

As entertaining as this is, I need the information on the current whereabouts of the artifact. And, I know for a fact that one of you was a prisoner of that dragon for some time.

Egan

Why are you looking at me? Oh- oh right, yes, I was.

Town Crier/Talleol Busin

Lovely. Where is it?

Egan

Where is what?

Town Crier/Talleol Busin

The artifact.

Egan

What artifact?

Lars

Egan. This will be much easier if you just tell him.

Egan

You think I wouldn't have told you if I knew? I don't know where the artifact or the dragon is.

Town Crier/Talleol Busin

Right. Well, I expected this to get messy. Lars, apprehend them,
please.

(Sound: silence as Lars hesitates)

Town Crier/Talleol Busin
Lars. You are on thin ice.

Lars
(Sound: of chains)
I'm sorry, I'm so sorry.

Moxie
I can't believe this.

Zinnia
He was right; you are a traitor.

Town Crier/Talleol Busin
Now, You. Egan? Egan. (Sound: of sword being drawn) Tell me where the
dragon is.

Lars
Whoa, wait. There's no need for violence.

Egan
I told you, I don't know anything!

Moxie
Ain't that the truth.

Town Crier/Talleol Busin
Tell me, or your friends die.

Lars
Wait-

Egan
I. Don't. Know!

Town Crier/Talleol Busin

Very well, you've made your choice. Perhaps the death of your friends
will help you remember.

Lars

No!

(Sound: sword slash)
