No Rattus were harmed in the making of the following episode.

Narrator Are you sure of that, Moxie?

Moxie I mean, I hope so. I mean, I'll be fine, right?

Narrator

Well...

Moxie Oh, crud.

Narrator

Welcome to "Level One Human" Episode 6: "Who Could Have Seen This Coming?" Last episode, we finally saw what Rhodan is up to, "I can do whatever I want. And I want chaos."

And the party made it to Fennickwicky: "It's said that the same dragon destroyed this city over a hundred years ago. It's sad: so many people gone in one terrible day." Only to discover the town crier who turned out to be, "Talleol Busin, a member of the council of the Order of Order, at your service." Who was about to kill-

(Sword slash)

Lars No!

(Sound: of swords clashing)

Town Crier/Talleol Busin Lars! What are you doing?! Step aside!

> Lars I can't let you hurt them!

Town Crier/Talleol Busin It's a necessary execution. The Order needs this information. Now step. Aside.

Lars No. No, you can't harm them. We can apprehend them and take them to the Temple.

> Zinnia For what?! To be tortured?!

Lars No, I don't- the Grand Chancellor will know what to do.

Town Crier/Talleol Busin You may not be willing to follow your orders, but I am perfectly capable of following mine.

(Sound: Swing of sword, clashing again)

Town Crier/Talleol Busin Argh! That's enough! I hereby decree Lars Arielson to be rejected by the Order of Order! Effective immediately!

Lars

Y-You can't do that! You don't have that authority!

Town Crier/Talleol Busin The Grand Chancellor *gave* me the authority on the chance you would disobey your divine orders! You're done!

Lars

Fine. Fine! I don't care! I won't let you hurt my friends!

Egan Woo! Go, Lars!

Lars Now leave! Or I'll make you!

Town Crier/Talleol Busin That's cute. (Voice echoing) Divine Damage! (Magic sounds)

Lars Augh! (Voice echoing) Precise Strike! (Magic and sword sounds)

Moxie Zinnia! We have to help him! Get us out of these chains!

Zinnia I can't! They have some sort of magic-dampening enchantment!

> Moxie Shoot, I can't reach my potions bag!

Egan (Struggling) I can almost get it!

Town Crier/Talleol Busin You've always been a troublemaker! Chaos follows wherever you go! (Voice echoing) Blessed Beam! (Magic sounds)

Lars Agh! (sound: Jumping out of the way) I only ever tried my best!

(Sound: Swords clash)

Egan

I got it! Here!

Moxie I should have some arcanic acid in here somewhere- there!

> Egan Whoa, be careful with that stuff!

Zinnia (quietly but urgently) Quickly, pour it here, there's a weak point! If you can weaken the spell, I can shatter these chains!

Town Crier/Talleol Busin Your best?! Ha! You're just a little orphan celestial, you're lucky we took you in! (Sound: sword slash - hits)

> Lars Augh! I just wanted to help people!

> > Moxie (quietly) Did it! Go!

Zinnia (Echoing voice) Burst bindings! (Sound: explosion of magic as Zinnia destroys the chains)

Zinnia Get away from him. (Sound: magic powering up)

Town Crier/Talleol Busin You think you can defeat me? With a little spell? I was *teaching* magic before you were born! (Echoing voice) Radiant Ray! (Magic sounds)

> Lars Zinnia, look out! (Sword slashes - hits)

Town Crier/Talleol Busin Agh! Enough of this! (Voice echoing) Tactical Teleportation! (magic sounds) ha-HA!

> Moxie Augh!

Lars

Unhand her!

Town Crier/Talleol Busin Tell me where the artifact is, and I will let your friend live!

> Moxie Ow! Ow! Egan, just tell him!

> > Egan

I don't know!

Town Crier/Talleol Busin One swipe with this dagger, and she's dead! Tell me!

Egan

I don't-

Lars and Zinnia Egan!

Egan It's ME! Okay?! I'm the dragon!

Town Crier/Talleol Busin (beat) What?

Zinnia I knew it! I freaking knew it! No one eats their steak that rare!

> Lars Zinnia, please. Please-

Zinnia No, you filthy liar! How could yo- Lars, if you don't let go of me, I swear-

> Lars Okay! Okay!

> > Egan

I didn't mean for this to happen! You infected me with your *caring* and-and *niceness!* If you think about it, this is all technically your fault-

Zinnia

OH HO HO, HERE WE GO!

Town Crier/Talleol Busin Wait just a second; you are the dragon? You're telling me you are Angregan? The horror of Mittenshear?

Egan

Yes! I don't know what happened, okay?! One second I'm about to eat some stupid adventurers, and the next I'm a *human*.

Lars B-but you said you were from Kottletop.

Egan

No, I don't know where I'm from.. Presumably another dragon.

Lars The dragon destroyed Kottletop, and if Egan is the dragon- oh gods, I'm going to be sick.

Town Crier/Talleol Busin (Sighs) Okay, where is the artifact?

Egan

I wasn't lying about that - I don't know. I wasn't one to collect treasure; I preferred being a force of destruction.

Town Crier/Talleol Busin All our intel said it was in the dragon's possession!

> Egan Well, it obviously isn't!

Town Crier/Talleol Busin Fine. I'll find it myself. I don't need you anymore, do I?

Moxie

Wait, wait, wait-!

(Sound: rumbling and quiet spooky whistling in distance)

Town Crier/Talleol Busin Oh great, now what is *that*?

> Zinnia I-I don't know.

> > Moxie

It sounds big.

Lars ... Egan, you're sure *you're* the dragon?

Egan Pretty sure, bud. This isn't me.

(Sound: rumbling and whistling gets louder, a horde of rats appear, lots of squeaking)

Palanus Unhand my charming friend, you cad!

> Town Crier/Talleol Busin Oh god, are those rats?!

> > Moxie

Palanus?!

Palanus Hello again, my friends! It seems you are in need of assistance!

Town Crier/Talleol Busin (Rats squeaking) Ow! Ow! They're everywhere! Get them off!

> Palanus I assume this is the enemy!

Moxie Well, he does have a dagger at my throat. Town Crier/Talleol Busin

I am a member of the high council of The Order of Order! You really think a bunch of rats will be able to defeat m- (sound: punch) OOF.

Moxie And another thing! (Sound: punch)

> Town Crier/Talleol Busin Agh! Why you little--

Palanus Rats! Attack! (spooky echoing whistling)

Town Crier/Talleol Busin Ugh, disgusting pests! (Voice echoing - about to cast magic) Mystical Mis-Ow! (Sound: mouse squeaking)

> Zinnia (Voice echoing) Icy Blight! (Magic sounds)

Town Crier/Talleol Busin Augh! You may be able to best me in magic, but let's see how you hold up to a blade!

(Sound: blade slash)

(Grunts and shouts from Lars and Tally)

(Sound: Blades clashing)

Lars

Tally, stop! Why are you doing this?! Just because of your orders? Sometimes there's more important things than doing what you're told!

> Town Crier/Talleol Busin Ugh, I-I..

Palanus (Spooky whistling, mice squeaking)

Town Crier

Augh! No more rats! (Voice echoing) Heavenly Storm! (Magic sounds, mice squeaking) Ah! Ow! This isn't over! Gah! (Sound: runs away)

> Moxie Good riddance!

Zinnia (Beat) Palanus, what are you doing here?

Palanus

Ah, well, Anvilfel was full of demons, so I thought I'd see how Fennickwicky was doing.

Moxie

It seems you have more control over your curse, but what happened? I thought I cured you?

Palanus

Ah.. I ran into someone who reversed it.

Zinnia

Reversed the erasure of a curse? They re-cursed you?

Palanus

I-It seems that way. I, oh, I was running away from him when I saw your predicament. We should move along now; he's coming this way.

(Sound: running)

Zinnia

(panting) I've never heard of someone un-reversing a curse. That must be powerful magic.

Palanus

Ah, yes, he was certainly scary. Oh, you never told me what all of you are doing here; did you want to see the sights as well?

Lars (panting) No, we- we are looking for our friend.

Moxie

Oh, he's still your friend? Do you betray all your friends, or are we just special?

Lars Moxie, I-

Egan Yeah, Lars, that was really not cool.

Zinnia

Egan, you just admitted you are a murderous dragon. Neither of you are off the hook, and we will be talking about this. But first we need to find Rhodan.

Palanus Rhodan? That's the fellow who re-cursed me!

Egan What? You guys said he doesn't know magic!

Zinnia He doesn't! I don't know what is going on!

Moxie Are you telling me we're currently running *away* from Rhodan?

> Palanus Yes, but-

(Sound: Moxie runs off)

Lars Moxie-! Come back! (Sound: running) He could be dangerous!

> Zinnia Moxie! Wait! (Sound: runs off)

> > Egan

(Sigh) I suppose it would be wrong to run away and leave them, right?

Palanus

Yes; let's go help!

(transition - to Rhodan walking through woods)

Rhodan Why did we re-curse that guy? I liked him.

Amulet

You said you'd let us cause some trouble! Anyway, the more you practice, the better you'll get. Soon, casting magic will be no effort at all.

Rhodan It did feel great to do. It always looks- *looked* like fun when Zinnia did it.

> Amulet Exactly. You should listen to me more often.

> > Rhodan

I guess I should. Oh, that looks like the gates to Fennickwicky.(sound: walking) Wow, this place is super run down.

> Amulet Ah, back to where it all began.

Rhodan What do you- wait. Is that Moxie?

> Moxie (in distance) Rhodan!

Rhodan (Sound: starts running) Moxie! I- guh! (sound: necklace takes over)

Amulet No! It's a trap! Listen to me! She just wants to hurt you! She wants to take away your power!

Moxie (Sound: running stops) Rhodan?

Rhodan

Moxie, I-- Just-- Get away from me!

Lars (Sound: running over) Rhodan! Whoa, what's going on?

Zinnia Are you okay? We couldn't find you anywhere!

Rhodan

I-You ditched me! What do you want?!

Moxie

(scared) Rhodan? Why are you acting like this? What do you mean, "ditched you?"

Egan That's him?! You're the guy that did this to me?! I'll kill you!

> Lars Whoa, Egan, wait! (Sound: holding Egan back)

> > Rhodan

You left me in that cave! All alone!

Moxie

No, Rhodan, we've been looking for you everywhere! (Sound: goes to grab him)

Rhodan
Don't touch me! Argh! (Sound: pushes her away, she falls)

Moxie

Oof! Ugh, w-why? I don't understand?!

Rhodan

You can't trick me again! I'll get rid of you once and for all! (magic powering up)

Moxie (screams)

Zinnia

Get behind me! (Voice Echoing) Safety Sphere! (magic sounds)

(Sound: explosion as both magics collide)

(Transition - sounds to flashback. We're in a village, a peaceful acoustic version of the theme song plays on a stringed instrument or fife.)

Rhodan Hey, that was pretty cool what you did back there.

> Moxie Was it?

Rhodan Yeah, standing up to The Baron and all.

Moxie He's a jerk. I should know. He's my dad.

Rhodan

Whoa. And you took him down like that? Publicly embarrassed him? Can you even go back home?

Moxie (beat) I suppose not.

Rhodan (beat) I could use someone like you.

Guard 1 (in distance) There she is! By order of the Baron, halt!

Moxie

I gotta go.

Rhodan C'mon. I'm good at hiding. Shh... (Sound: quick walking)

(beat)

Guard 1

I saw her. She was talking with that elf. They just ... vanished!

Guard 2 Spread out and search! They can't have gotten far! (Sound: they leave)

Rhodan (whisper) See? I have talents, too. We could be quite a team.

Moxie (excited but a little scared) I- I- uhm, guess so.

Rhodan I am Rhodan.

Moxie M-Moxamillia. My friends call me Moxie.

Rhodan

Moxie it is, then. There's a ship leaving for Kottletop. Apparently the dragon of Mittenshear has been seen around there, along with a lot of goblin activity. There's bound to be a lot of work for a pair of sellswords.

> Moxie I'm ready to go. I don't need anything from this place.

Rhodan You can just ditch your family and go? How do I know you won't do that to me?

> Moxie I... I can't imagine I'd ever want to do that.

Rhodan You're cute. I like you. I hope that's a promise.

Moxie

Uh, wow. Yes. It is. I've never been more serious about a promise.

Rhodan

Cool. This sounds like the beginning of a great adventure. (two beats) Let's go.

Moxie I'll go anywhere you do.

(transition - back to the fight. Wind intensifies)

Rhodan You promised me! And then you just left me!

Amulet

Yes! Yes! Destroy her, and you will have unlimited power!

Moxie I never wanted to leave your side!

Rhodan But you did! Just like everyone I ever cared for!

> Moxie Rhodan, no! I didn't!

Zinnia We've been searching for you for weeks!

> Rhodan We were a team!

> > Amulet

Destroy her and be free! You don't need anyone! (Sound of magic intensifying)

Lars Moxie, get back! This isn't Rhodan!

Moxie You were the first person to ever see me as I am! Rhodan, what is happening to you?!

> Amulet/Rhodan I. Don't. Need. You!

> > Moxie

Rhodan! I can't lose you!

Amulet/Rhodan You've already lost me! (Magic releases)

Moxie (Cries out in pain. Horrific pain. Dies.)

Amulet/Rhodan

I am Rhodan Shadowhart! And I don't need anyone! (Rhodan screams/roars) (Sound: huge magical burst)

> Lars He's... He's surrounded by dark magic!

> > Zinnia Moxie! She's not moving!

> > > Lars Is she dead?

Egan No one could have lived through that! Run!

Palanus We are not finished with this, friends! Rats, attack! (whistling)

(Sound: of Rats swarming at Rhodan)

Rhodan

Foolish tiny man!

Palanus Augh! Let me go!

Lars He's got Palanus!

Rhodan (Voice echoing) Arcanic Displacement! (magic sounds)

Egan He's teleported away with him! The rats are dispersing!

> Lars Rhodan! Come back! Don't do this!

Zinnia Guys, Moxie's not breathing! Help me!

Lars Does she have a potion? Check her bag!

(Sound: of bottles clinking)

Egan I knew it was him! He has magic - He cursed me, after all.

> Zinnia How much stuff does she have in here?

> > Lars So many potions. I don't see-

> > > Zinnia Here. This one. Look.

> > > Lars There's a note on it.

Zinnia (beat) It's for Egan. It says-

Egan 'For Egan. Last of the Dragonsbane. Hope this fixes your curse.'

Lars Dragonsbane. That could also revive her. She's used that on me.

> Zinnia Egan?

> > Egan

(two beats.) I could be free? (beat.) I could be myself again!

(two beats.)

Egan Give it to her.

Zinnia

Egan?

Lars Quickly - before they change their mind.

> Egan You... We need her to be okay.

(Sound: pouring potion down Moxie's throat)

Zinnia It's not doing anything!

> Lars Zinnia.

> > Egan

Oh no.

Zinnia Lars, why isn't it working?!

> Egan Did we just waste it??

> > Lars Egan.

Zinnia Lars! Why isn't it working?!?!?

> Lars I don't kn

Moxie (coughs)

Zinnia Moxie?!

Lars Moxie!

Moxie (groans) Told you (cough) I was a bad (cough) penny.

Zinnia and Lars MOXIE!

Moxie Ouch! Not so loud. My head is killing me.

Zinnia (more quietly) You've got it, kiddo.

> Moxie Did we win? Is Rhodan here?

Egan He's gone. He teleported away with Palanus.

Lars

I didn't know that that was something someone could do. Tactical Teleport is the only teleportation magic I've seen, and that can only move you up to twenty feet.

> Zinnia Yeah, that's pretty powerful magic.

Moxie (upset still) I don't understand. That isn't like him.

> Egan Guess you just don't know folks.

> > Zinnia

No. You don't.

Lars

(beat) I...

Zinnia Shut it. Rhodan kidnapped Palanus; we have to help him.

> Moxie We have to help them both.

> > Zinnia

(Sighs) Shoot, I guess I didn't find the artifact.

Lars Neither did I. And I didn't kill the dragon.

> Egan That's... complicated.

> > Moxie

Awkward...

Zinnia

You got kicked out of the Order of Order. Doesn't matter. My mother is still counting on me to get the artifact. And now I have to find it before The Order does.

> Egan And I need to break my curse and be a dragon again.

> > Moxie

If you must.

Egan Hey. You owe me a potion.

Moxie

Twerp. As if. (beat) Also, Dragonsbane is nearly extinct. That may be the last we ever see of it. (beat) Sorry.

Egan

Whatever.

Lars So. Sticking together then?

Zinnia

I guess so.

Moxie Yes. Let's rescue Rhodan. And Palanus from Rhodan.

Egan (beat) ...Can I come along?

Zinnia (two beats) Are you going to lie to us again?

> Egan Probably.

Moxie Figures.

Lars (beat) C'mon. Let's go.

(Transition music - sounds of the ocean, seagulls, etc.)

Rhodan You obviously cannot be trusted to wield this power. I'm taking it back.

Palanus

Oh please do! I'm tired of this back-and-forth cursing business. And then I'll be taking my leave, before you kill me like you did that nice Rattus lady-

> Amulet Wait, we still need him.

> Rhodan For what? Scaring goats?

Goats? I'm not going to scare any goats. I am quite fond of goats. I dare say that I've never met a goat that I didn't like. Majestic beasts, every single one of them. (He keeps talking while we hear the Amulet answer.)

Amulet

His power is still connected to him. We can just flip the on/off switch. If we keep him around we can feed off the extra magic.

Rhodan What would happen to him?

Palanus

Happen to who? You're not threatening a goat, are you?

Amulet

Well, eventually we'd drain him but we don't have to worry about that right now.

Rhodan I don't know if I'm okay with *draining* someone.

Palanus

Excuse me? You shouldn't milk a goat until it is drained; that is unbearably cruel.

Amulet

You seemed happy to kill your friends back there. Why is this different?

Rhodan I suppose you're right. Let's just bring him with and we can figure this out later.

> Palanus Are- Are you referring to me?

> > Rhodan

Hush. we're taking a ship to the mainland. Too dangerous around here with that lot following us.

Palanus

Palanus

No no, you see that's a very bad idea - I get sea sick very easily. I'd rather just stay on land please!

> Rhodan Lots of possibilities on the mainland.

> > Palanus But I can't swim!

Rhodan

Get moving!

Narrator

And thus, the group set out to find their troubled friend. To break curses and free bards. But what would become of Lars, who was exiled from his Order? Or Zinnia, who has lost the treasured artifact? Or Moxie, who left her family and lost a best friend? And of course, Egan, who doesn't want to be a human anymore? Find out next season, on "Level One Human."

(AFTER CREDITS SCENE>>>>)

Marzia Whoa, what happened to you?

Town Crier/Talleol Busin (Tired and annoyed) Rats. Many many rats.

Marzia

What?

Town Crier/Talleol Busin It doesn't matter, We have to report back; you do the incantation- I'm exhausted.

> Marzia O..kay. Conjure Converse!

(Sound: magic being cast)

The Grand Chancellor Ah, Tally! And Marzia! How is the mission going?

Town Crier/Talleol Busin

Greetings, Grand Chancellor. Unfortunately, Lars has failed to kill the dragon or get the artifact. But I did what you said - I revoked his membership.

> The Grand Chancellor Ah, I had a feeling that would happen. Where is he?

Town Crier/Talleol Busin Uhm, they fought me off. You see there were these rats-

The Grand Chancellor We can't have someone walking around who knows that much about the Order! (Sighs) Okay, we can deal with that later. If the dragon is not dead then where is it?

> Marzia It disappeared.

Town Crier/Talleol Busin Well no-

The Grand Chancellor Are you telling me you were defeated by a group of useless adventurers, don't have the artifact, and *LOST AN ENTIRE DRAGON!*?

Town Crier/Talleol Busin No no, I found it! But it's been magically transformed into a human.

The Grand Chancellor and Marzia What?!

Town Crier/Talleol Busin But it didn't have the artifact anyway!

The Grand Chancellor Great. So we have no idea where the artifact is?

> Marzia Well, I may have a lead.

> > (Ominous music)
